

Contec® Foam Hand Sanitizer

CDC guideline compliant and triclosan-free formulation

Contec Foam Hand Sanitizer is an alcohol based waterless hand sanitizer that kills 99.999% of most common germs that may cause illness, including MRSA, Acinetobacter, Listeria, and more. CDC guidelines recommend facilities in critical areas and food processing, use alcohol based hand sanitizers for hand sanitization. Contec Foam Hand Sanitizer delivers such a product for these controlled and critical areas.

Contec Foam Hand Sanitizer kills the following when used as directed:

- Acinetobacter baumannii*
- Bacteroides fragilis*
- Candida albicans*
- Canidida glabarata*
- Enterobacter aerogenes*
- Enterococcus faecalis* Vancomycin Resistant (VRE)
